PRODUCTION

Each live game table is an original, bearing it's owner's original style. We can customize its design with different legs, veneers, leatherette and finishes.

In addition to quality craftsmanship, all of our tables are made to order. We customize and manufacture them according to the client's wishes. Whether it's different types of legs, different veneers and lacquers, or a custom-made table layout, the customization possibilities are almost endless.

Our products will match the interior of any casino, poker tournament, or the interior of a house or apartment.
